 character & creativity

before you begin	
objective:	participants will utilize quick thinking skills to become and “expert in their field”
values:	Character & creativity
number of participants:	1+
materials:	naughty bell
how to play	
<ol style="list-style-type: none"> 1. One Participant is chosen from the group to be the “expert”. 2. The facilitator or the audience give a subject that the student is expert in (i.e., Cereal, Hairstyling, Fruit, Mexico, etc.). 3. The “expert” should talk for a minute about the subject. 4. Switch to a new “expert” with a new subject. 	

☆ **sidecoaching:**

- *Facilitator should ring naughty bell if the topic gets inappropriate*
- *The “expert” is encouraged to keep talking for the entire minute and say what comes to mind, no matter how silly it is.*
- *To make it more fun, give the expert a prop (i.e. silly glasses or a clipboard)*
